The diagram shows a technical drawing of a sleeve cuff pattern piece. It consists of a red rounded rectangle containing a green rounded rectangle. A vertical line passes through the center of the green rectangle, and a horizontal line passes through the center of the red rectangle. A small orange circle is located on the vertical line to the left of the red rectangle. A yellow arrow points downwards from the top center of the page. To the right of the main pattern piece, there are additional curved lines in red, green, and purple, with a yellow arrow pointing left towards them. The text 'TAPETA MANGA' is centered above the red rectangle. Inside the green rectangle, the text 'Pieza N.06', 'Talla: S', and 'Cortar: 2 (par)' are arranged vertically. To the right of the additional curved lines, the text 'Cortar: 2 (al c)' and 'A' are visible.
